

EB2016 International Forum–Korea

“Health and Functional Foods: Where We Are and Where We Go”

It is a great honor and pleasure announcing the EB 2016 International Forum-Korea with the theme of “Health and Functional Foods: Where we are and where we go”.

This event will be held on April 3, 2016 from 3:00 – 4:30 PM at the San Diego Convention Center in San Diego.

This forum will review progress in the field of health and functional foods and share current knowledge on the mechanisms of actions on specifically chosen bioactive components in the aspects of gut, liver and adipose tissue health with Korean researchers working in both Korea and USA.

This program will provide a great networking opportunity with internationally prominent scholars, specialists and researchers attendance for this event.

We are looking forward to seeing you in San Diego in this Spring!
